

July 16, 2012

Minutes of Meeting

Present Attendance was not taken at this short summer meeting.
Tyler E. recorded notes.

Minutes are presented in Agenda order.

Opening Remarks and Introductions (President Bill Boles)

Bill welcomed everyone.

VP Report (Lars)

Pam will get notes from Lars at the next FOW meeting.

Secretary's Report (Bill B. for Pam)

There was no report from the June 18th walk at Ames Nowell.

Treasurer's Report (Bill B. for Jane)

Bill presented a report showing the year-to-date expenses. There will be a full report in August when Jane returns.

Membership (Sandy C.)

Sandy reported that there was one new member this month. Renewals are due and he suggested an email be sent to members for renewals. Lars offered to help with the mailing.

Eagle Scout and Girl Scout Gold Award Projects (Steve G.)

Steve has several bridge projects and suggested as options for scouts. The Girl Scout project for Mia has been approved including signage, identifying locations, running route for 5K and 5 miler. Steve and Bill will meet with Mia next Monday to plan routes. Steve offered to help with routing signs.

Wompy Maps – (Lars A.)

Wompy maps (20K) were reprinted and received.

Trail Care Event – July 15th (Carl)

Carl reported that 4 groups covered approximately 14 miles of trails at the Trail Care Day on July 15th. Lars will look into having plaques made for the bridges to identify that work and bridges are maintained and built by FOW.

Next Trail Care Event is August 18th.

QR Codes on Signboards? Maps? (Lars A.)

QR (Quick Response) Codes have become popular in the outdoor recreational world to provide fast access to park maps. The idea is that a QR code would provide a direct link to the FOW website and park users would then have instant access to the park map. Pam will get notes from Lars at the next meeting.

Old Business

Pam will get notes for the next FOW meeting.

New Business

Pam will get notes at next FOW meeting.
